**A NEW LOOK FOR MEADOWBROOK FARMS**

***Meadowbrook Farms Golf Club Completes its Bunker Renovations***

*Katy, TX* – Meadowbrook Farms Golf Club is celebrating a course makeover this fall. The club has recently completed their summer renovation project of new greenside bunkers and is ready to show them off to the public.

The bunkers have been restored to prime playing conditions with new sand, sod and drainage systems. This overhaul ensures the bunkers remain dry after a hard Texas rainstorm, keeping water from pooling at the bottom of the bunkers. With these changes, the course will have a faster recovery time and remain at optimal playing conditions year round. The club is scheduled to replace and rebuild the fairway bunkers beginning early next year.

“We’re excited for the new bunkers,” said Layne Ricks, general manager at Meadowbrook Farms Golf Club. “By implementing these changes, we will continue to offer Katy area residents unrivaled golf and uncompromising service.”
